

Crystalline College Diploma Course

A Professional Practitioner Diploma in Crystal Therapy

Method of study:

- 2 years part-time study of 8 weekends per year
- Core hours of study equate to 180 hours of tutor-led weekends consisting of lecture, discussion, demonstration and practical hands-on experience from weekend 1.
- A further approximately 100 hours of course assignments and case study work to be completed in student's own time.

A brief outline of some areas of study:

- ❖ Recognising and working with energy
- ❖ The chakras and human energy system
- ❖ Crystal structure, formation and their healing properties
- ❖ Attunement with crystal energy
- ❖ Safe methods of working with crystal energy
- ❖ Protection methods for self and client
- ❖ Meridian work and crystal energy
- ❖ Working with our guides and angels
- ❖ Creating Mandalas for healing
- ❖ Anatomy & Physiology for Holistic Practitioners
- ❖ Understanding the roots of dis-ease and their effects
- ❖ Colour of minerals and their significance in healing
- ❖ Supported individual growth of energy awareness and recognition of one's personal intuition and spiritual consciousness.

This course will also take the student on their own journey of discovery about themselves both spiritually and emotionally as they begin to work with crystal energy.

The cost of the professional practitioner course for 2011 will be £1750.

Payable in several ways:

- a) In full on registration
- b) In 2 parts £875 on registration and £875 at start of year 2
- c) By instalment, using standing order mandate
- d) Credit card payment by arrangement with Principal.
